

Patrice

Shopping for Food

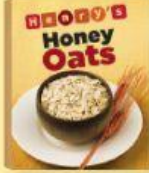

Patrice likes to cook and budgets \$60.00 a week for groceries. To stay within her budget, she makes out a grocery list before she goes to the store and sticks to it. She tries to find items on her list that are on sale. Patrice uses coupons to reduce the price of things she wants to buy.

Grocery Store list

bread
milk
cereal
eggs
yogurt
bag of apples
lettuce
tomatoes
chicken
sandwich meat
ground beef
pasta
bag of frozen beans
bag of corn
orange juice
paper towels
