CAT'S CRADLE

PUT THE INSTRUCTIONS IN THE RIGHT ORDER:

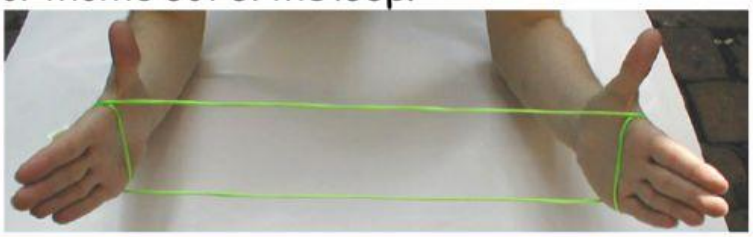

Put the middle finger of the OTHER hand through the loop. This is "the Cat's Cradle."

STEP: 1 2 3 4 5

Put your hands through the string. Keep your thumb out of it. Then you loop the string around each hand. Keep your thumb out of the loop.

STEP: 1 2 3 4 5

Take a string about 120 cm long, and tie the ends together to make a loop.

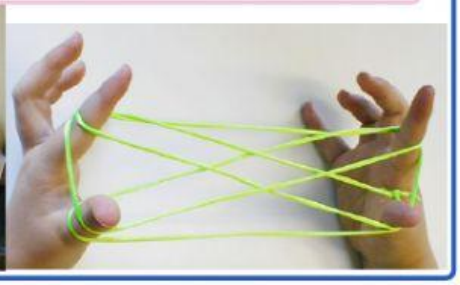

STEP: 1 2 3 4 5

Now comes the first hard thing. Find the two places where the string makes an X. Take your thumb and forefinger and pinche those X shaped parts. Pinching them, move your hands farther apart, until the string is taut.

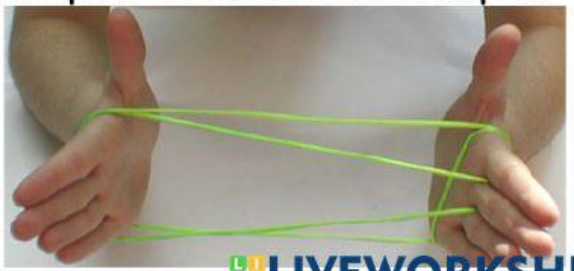

STEP: 1 2 3 4 5

Put the middle finger of one hand through the loop on the other hand and pull.

STEP: 1 2 3 4 5
