

workbook 8

Answer these questions about your city or another city you know.

The streets are closed to traffic in a traffic-free zone.

1. Are there any traffic-free zones? If so, where are they located?

2. How do most people travel to and from work?

3. What's the rush hour like?

4. What's the city's biggest problem?

5. What has the city done about it?

6. Is there anything else the city could do?
