

EXERCISE 1

Match the digital times with the times in words.

bathroom	bedroom	garage	garden	hallway	living room
----------	---------	--------	--------	---------	-------------

1. What do you call the place where you go to sleep every night?

2. What do you call the place where you can have a wash and brush your teeth?

3. What do you call the place where everyone sits together to talk, play games or watch TV?

4. What do you call the place where you keep the car?

5. What do you call the place that you walk through to move from one room to another?

6. What do you call the place where you can be outside and sit on the grass?
