

EXERCISE 5

Watch the videos. Then complete the sentences with the words the student uses. These words help with *fluency* and *coherence*.

Examiner: Some people say that buying things only makes people happy for a short time. What do you think? Student: I don't think so <u>well/because</u> if I buy something ... I can always use it <u>but/and</u> I will feel satisfy and I can share to others to let them see this new thing, let them try it.	 1.MP4
Student: I used to buy clothes from the shopping mall near my home ... It has an online shop In our country, we can buy things easily, <u>but/well</u> my mother always told me that I can't buy clothes during the summer, <u>because/well</u> I have a lot of summer clothes already!	 2.MP4
