### HOW TO USE TOASTER

- Insert a slice of bread into each toaster slot.
- Choose the toasting level, usually it is from the lightest to the darkest. This will allow you to choose how dark the toast to be.
- Wait until the toasting process finished, usually the process only takes a minute
- Pick the bread when the toasting process is finished and the bread pops up from the toaster slot. Then put it on a plate.
- Pour some sugar on the bread while it is still warm or put some butter on it. The toasted bread is ready.

### HOW TO USE ATM

- First, Insert your card into the card reader.
- Enter your pin number as asked by the display. Cover your fingers when entering the PIN number, avoiding any spectators.
- Choose your transactions. There will be options, choose cash withdrawal.
- Enter the amount of money you want to withdraw and press enter.
- Take the money from the cash dispenser and then remove your card from the card reader.
