1.- Read the text and choose the best title

- 1.- A scary experience X
- 2.- A special event X
- 3.- My favourite film X

I used to be in a drama club and when I was nine, I was in a show at our local theatre. I was very excited because the show was "*The Lion King*" and that used to be my favourite film.

On the night of our performance, there was a big crowd outside the theatre. I was very surprised to see so many people. At first, I was a bit nervous, but when the music started and I went out onto the stage, I felt relaxed and really enjoyed the experience.

I was a giraffe and I loved my costume. My friends and family were in the audience and they all had a great time. After the show, we all went to my favourite restaurant. It was fantastic night!
