SPECIALIZED ANIMAL CELLS

Student's Work

Below are diagrams showing each of the animal cells mentioned in the table above. Let's see how observant you are. Use the structural descriptions in the table to identify each cell. Write the name of the cell on the appropriate line. [2 marks each]

1

2

3

4

5

nucleus (large, round)

6

nucleus (bean-shaped)

7

8

cell membrane
cytoplasm with yolk
nucleus

MITOCHONDRION

NUCLEUS
RIBOSOME
SMALLVACUOLE

Specialized Cells

Across

3. Fertilized by sperm cell to make a baby.
4. For carrying messages around the body
5. Contract and relax for movement
6. Fights germs that enter the body

Down

1. Has head, neck and tail; for fertilizing egg cell
2. Carries oxygen around the body
