EXERCISE 8

Using linking words and phrases can help to improve *fluency* and *coherence*.

Put the examples in the box in the correct columns.

| Another reason is … | On the other hand | The main reason is … | In general |
|---|---|---|---|
| In most cases | But | Secondly | First of all |
| However | Generally | In addition | In the first place |

| Explaining your main idea | Adding a similar idea |
|---|---|
| | |
| | |
| | |

| Adding an opposite idea | Explaining something generally |
|---|---|
| | |
| | |
| | |
