

La casita de los números

1.- ¿Cuántas pelotitas se necesitan para formar el número 1?. Arrastra a la casita la cantidad necesaria.

2.- ¿Cuántas pelotitas se necesitan para formar el número 2?. Arrastra a la casita la cantidad necesaria.

3.- ¿Cuántas pelotitas se necesitan para formar el número 3?. Arrastra a la casita la cantidad necesaria.

The image shows a house-shaped grid for a math activity. The roof is red and contains a white circle with the number '3'. The main body is a 4x2 grid of white squares. Each square contains a colored rectangular box: blue (top-right), yellow (middle-left), green (middle-left), purple (middle-right), red (bottom-left), and magenta (bottom-right). Below the grid are six boxes containing red circles: a blue box with 3 circles, a yellow box with 3 circles, a green box with 2 circles, a purple box with 1 circle, a red box with 1 circle, and a magenta box with 2 circles.
