- A. because of B. which C. because

2. Do you think there is a lot of crime ... overpopulation?

- A. because B. because of C. so

Part 3

- 2 questions -

Complete the conversations. For questions 1-2, mark A, B, or C on your answer sheet.

Example:

0. What's causing overpopulation?

- A. There is a lot of pollution.
B. People are having too many children.
C. There are a lot of poor people.

Answer:

0	A	B	C
☐	☐	☒	☐

1. Why are there so many slums?

- A. Because there aren't enough houses.
B. Because there are too many houses.
C. Because there are too many cars.

2. How can we reduce overpopulation?

- A. People should have more children.
B. People should move to big cities.
C. People should have fewer children.

Part 4

- 5 questions -

Read the paragraph about population change. Write ONE word for each space. For question 1-5, write the words on your answer sheet.

Population Change

Many different things can change the (0) population of a country. The main two are the birth rate and the (1) rate. If the birth rate is higher than the death rate then the population will (2)

(3) expectancy can also change the population. If people live longer, the population will increase because the death rate will (4) Countries with a low (5) rate and high life expectancy can have very old populations. In Japan, the life expectancy is over 84 years old.

Part 5

- 2 questions -

Read the descriptions and the words. The first letter is already there. There is one space for each letter in the word. For questions 1 and 2, write the words on your answer sheet.

0. To know how or why something happens

u _ _ _ _ _

Answer:

0

understand

1. News or knowledge about someone or something

i _ _ _ _ _

2. Something that is caused by a change

e _ _ _ _ _

Part 6

You and your friend Joe are doing a project about overpopulation. Joe will help you find numbers and pictures for the project. Write a message to Joe.

Say:

- which cause of overpopulation you want to talk about
- which effect you want to talk about
- what are the solutions for that effect

Write 25-35 words.

Write the note on your answer sheet.
