DAYDREAMING

Listen to Tom describing how his life changed. List the actions Tom talks about, in the order they happen.

Realized he'd been daydreaming about seeing her and maybe asking her out

Thought he'd better do something

Living in London

Said hello to each other a few times, but never actually had a conversation

Was suddenly afraid she'd never come back

She came to class the following week

Going to the same Spanish class

He started a conversation and asked her out going out together since then

One week she wasn't there

Getting married in six months

Met Ella for the first time
