

# The Wind and the Sun

One

day the  and the  are in the  sky.

The  says: "Hello, . How you?" The  says:

"I fine, thank you." Then the  says: "I am very 

," and the  says:

"Yes, but I am stronger." The  says:

"No, " and the  says: "Look at that . Let's

see who can take off his . Start!" So the wind blows and

blows  and it's very  and  but

he can't take off the man's . At last the  says: "Let's see

what you can do!" The sun  shines and shines and it's very

 and . The  takes off

his . Then the  says: "Oh ! You

really are the stronger! "
