Love story

Taylor Swift

1. Complete song lyrics with the correct past form of the verb in brackets.

We (to be) both young when I first (to see) you

I close my eyes, and the flashback starts

I'm standing there

On a balcony in summer air

See the lights, see the party, the ball gowns

See you make your way through the crowd

And say, "Hello". Little did I know

That you (to be) Romeo, you (to throw) pebbles

And my daddy (to say), "Stay away from Juliet"

And I (to cry) on the staircase

Begging you, "Please, don't go!" and I (to say)

Chorus

"Romeo, take me somewhere we can be alone

I'll be waiting, all there's left to do is run

You'll be the prince and I'll be the princess

It's a love story baby just say yes"

So I sneak out to the garden to see you

We keep quiet, 'cause we're dead if they (to know)

So close your eyes

Escape this town for a little while

'Cause you (to be) Romeo, I (to be) a scarlet letter

And my daddy (to say), "Stay away from Juliet"

But you (to be) everything to me

I (to beg) you "Please, don't go!" and I (to say)

Repeat chorus

2. Put the lines in the correct order.

This love is difficult, but it's real

Romeo, save me, they're trying to tell me how to feel

It's a love story baby just say "Yes"

Don't be afraid, we'll make it out of this mess

"Romeo, save me. I've been feeling so alone.

Is this in my head? I don't know what to think"

My faith in you was fading

Wondering if you were ever coming around

When I met you on the outskirts of town, and I said

I got tired of waiting

I keep waiting for you but you never come.

And said "Marry me, Juliet.

It's a love story baby just say 'Yes'"

You'll never have to be alone.

He knelt to the ground and pulled out a ring

I talked to your dad, go pick out a white dress

I love you and that's all I really know

Because we were both young when I first saw you.
