Hi,

Yesterday, I read an interesting article about vacations in the future. I know that's your favorite topic. They say there'll be ice vacations. People will stay in ice hotels. I think there'll be undersea vacations, too. What kinds of vacation do you think there'll be in the future? Where will people stay? How will people travel there?

Write back soon.

Your friend,

Brian

Write your email to Brian and answer the questions.
