"

Maybe it's because I'm a \_\_\_\_\_

That I love \_\_\_\_\_ so

Well, maybe it's because I'm a \_\_\_\_\_

That I \_\_\_\_\_ of her wherever I go

I get a \_\_\_\_\_ feeling inside of me

While walking \_\_\_\_\_ and \_\_\_\_\_

Well, maybe it's because I'm a \_\_\_\_\_

That I love the London \_\_\_\_\_

"When I'm away \_\_\_\_\_ London, I can't help thinking of some of my favorite \_\_\_\_\_."

Piccadilly Circus,

Trafalgar Square,

Covent \_\_\_\_\_,

Changing of the guard at \_\_\_\_\_ Palace,

and late at \_\_\_\_\_, the fog that settles softly over London \_\_\_\_\_."
