

Your friend heard that you are feeling sick and she is worried about you. Write a text message to your friend that includes the following:

1. Greeting
2. Thank her for asking about you.
3. Describe your symptoms and how you feel right now.(at least 3 symptoms)
4. Tell her what the doctor said.

Hi Sarah... I met your son this morning and he told me that you are not feeling well these days. What's the matter? Do you have many symptoms? Have seen the doctor? I am really worried about you. Let me know if there is anything I can do for you. Get better soon!
