1 02 **Listen and write one of these words in each gap.**

keyboard ~~disc~~ download text printer click

1 The girl can't put this in her laptop. disc
2 The milk fell on top of the mouse and ... . _____
3 Nothing happens when the boy tries to ... on an icon. _____
4 The girl can phone on her smartphone, but she can't ... . _____
5 The boy is having a problem with this. _____
6 In order to edit the video, the girl has to ... an app. _____

2 Read and tick the correct words.

A: Wow, those pictures are awesome! How do you draw on the screen?

B: It's easy. If I (1) **will draw** / **draw** a line on this pad, it goes onto the screen. You see?

A: Wow. Are you copying the picture from somewhere?

B: No, If I copy a picture, it always (2) **goes** / **go** wrong. I just draw from my head.

A: That's so cool. Do you have special software for that?

B: Yeah, this program's pretty expensive actually. But most computers have some basic drawing software installed on them. I bet you'll find a drawing app if you (3) **will switch** / **switch** on your mobile phone.

A: Yeah, you're right, there is one. I tried it once. I'll show you if the picture (4) **is** / **will be** still here. Yes, here it is, look!

B: What is it?

A: It's a robot mechanic. In the future, we will all have robots, right? But if your robot breaks down, who (5) **fixes** / **will fix** it? This robot! The picture's rubbish though, I know.

B: Well, you've got to keep practising. If you (6) **don't** / **won't** practise, you'll never get better.
