

# Lord Liability

Baby really \_\_\_\_\_ me, crying in the taxi  
He don't wanna know me  
Says he \_\_\_\_\_ the big mistake of dancing in my storm  
Says it was poison

So I guess I'll go home  
Into the arms of the girl that I love  
The only love I haven't \_\_\_\_\_  
She's so hard to please, but she's a forest fire

I do my best to \_\_\_\_\_ her demands, play at romance, we slow dance  
In the living room, but all that a stranger \_\_\_\_\_ see  
Is one girl swaying alone, stroking her cheek

They say, "You're a little much for me  
You're a \_\_\_\_\_  
You're a little much for me"  
So they pull back, make other plans  
I understand, I'm a liability  
Get you wild, make you \_\_\_\_\_  
I'm a little much for e-a-na-na-na, everyone

The truth is I am a toy that people \_\_\_\_\_  
'Til all of the tricks don't work anymore  
And then they are \_\_\_\_\_ of me  
I know that it's \_\_\_\_\_ running through the night, but  
Every perfect summer's eating me alive until you're gone  
Better on my own

They say, "You're a little much for me  
You're a liability  
You're a little much for me"  
So they pull back, make other plans  
I \_\_\_\_\_, I'm a liability  
Get you wild, make you leave  
I'm a little much for e-a-na-na-na, everyone

Enjoy  
Screwed up  
Hurt  
Exciting  
Leave  
Meet  
Bored  
Would  
Made  
Understand  
Liability  
Disappear

They're gonna watch me \_\_\_\_\_ into the sun  
You're all gonna watch me disappear into the sun
