IDGAF – Dua Lipa

You call me all friendly

Telling me how much you miss me

That's funny, I guess you've heard my songs

(1)

Go find a girl who wants to listen

'Cause if you think I was born yesterday

You have got me wrong

(Chorus) So I cut you off

(2)

'Cause I already cried enough

I've been done

I've been moving on, since we said goodbye

(3)

I don't need your love, so you can try all you want

Your time is up, I'll tell you why

(4)

But it's too late now

So save it, get gone, shut up

'Cause if you think I care about you now

Well, boy, I don't give a fuck

(5)

When my best friend caught you creeping

You blamed it all on the alcohol

(6)

'Cause you made your bed, sleep in it

Play the victim and switch your position

(7)

Chorus

(Chorus 2) I see you tryna get to me

(8)

Boy, I don't give a fuck

So stop tryna get to me

Tchh, (9)

'Cause, boy, I don't give a fu-u-uck

About you

No, I don't give a damn

You keep reminiscing on when you were my man

But I'm over you

(10)

You talk all that sweet talk, but I ain't coming back

Chorus

Chorus 2

Options

You say you're sorry

So I made my decision

I don't need your love

I see you begging on your knees

I'm through, I'm done

Now you're all in the past

Well, I'm too busy for your business

I remember that weekend

I cut you off

get up off your knees
