

TOY STORY 3

I was there when Lotso got unwrapped. Daisy loved us all. But Lotso, Lotso was special.

They did _____ together. You've _____ seen a kid and a toy more in love.

One day, we took a drive. Hit a rest stop. Had a little playtime.

After _____, Daisy fell asleep.

She never came _____.

Lotso wouldn't give up. It took forever, but we finally made it back to Daisy's.

But by then, it was too _____.

Something changed that day inside Lotso. Something snapped.

She replaced us. Come on!

No, she only replaced you!

SHE REPLACED ALL OF US!!! Didn't she?! She don't love you no more! Now come on!!

We were lost. Cast off. Unloved. Unwanted.

Then we found Sunnyside.

But Lotso wasn't my friend anymore. He wasn't anybody's friend.
