

# HOMEWORK #19

This is Timmy and his little brother Joshy! Read carefully and answer:

*Hello! We are Timmy and little Joshy. We live on the fourth planet of the solar system, the one that's red because it's rusty. Can you guess it?*

*On Mondays, we cook pizza with our parents and on Saturdays, we go skating to the Olympus Mons. Sounds fun, right?*

Love,

## *Timmy and Joshy*

I'm Joshy and I like to play with rovers on Tuesdays.

I'm Timmy and I love  
rainy days.
