

LEMBAR KERJA PESERTA DIDIK

(Student's Worksheet)

TASK 2

Read this text and analyze the social function, generic structure, and language feature!

Text

My father was a hard worker. He works as a teacher in an elementary school. Aside from teaching, he also opens an online business at home. Even though he is busy, he always makes time to play with me.

My father is very handsome. Her hair is short and straight. He has big brown eyes. His nose is pointed, like mine.

He also loves Mom very much. I often see him helping my mother with household chores, such as sweeping, cooking, and washing clothes. My father is helpful, humble, smart and gorgeous person.

This year, he is 40 years old. Even though I am still in junior high school, he has prepared college savings for me. He said he wants me to be able to achieve my dream of becoming an engineer.
