Scenario 3. Connecting Electronically

Task 1. Listen to the audio.

Tak 2. Listen to the audio again. Choose the functions mentioned for each electronic device. You can repeat.

Digital camera	( ) capture moments
	( ) take shots under water
	( ) put filters
Smartphone	( ) write letters
	( ) talk and record video
	( ) call anywhere

Task 3. Listen to audio again. Next to each electronic device there are some functions mentioned. Order them by placing numbers (1-2-3-4…) when you hear it inside the brackets.

Digital camera	( ) take different shots
	( ) capture moments
Smartphone	( ) talk
	( ) call anywhere
	( ) video
	( ) chat
