

LONGITUDE AND LATITUDE ACTIVITY

You are about to solve a series of activities about the geography topics that we have learned in class. Before you start, watch this video to remember the main topics.

<https://www.youtube.com/watch?v=HvCvANs7O7k> 

1. First of all, it is important that we locate ourselves on planet earth, that is why we will start by drawing a line to match the words to the continents of the world

Asia

Europe

Africa

North America

Oceania

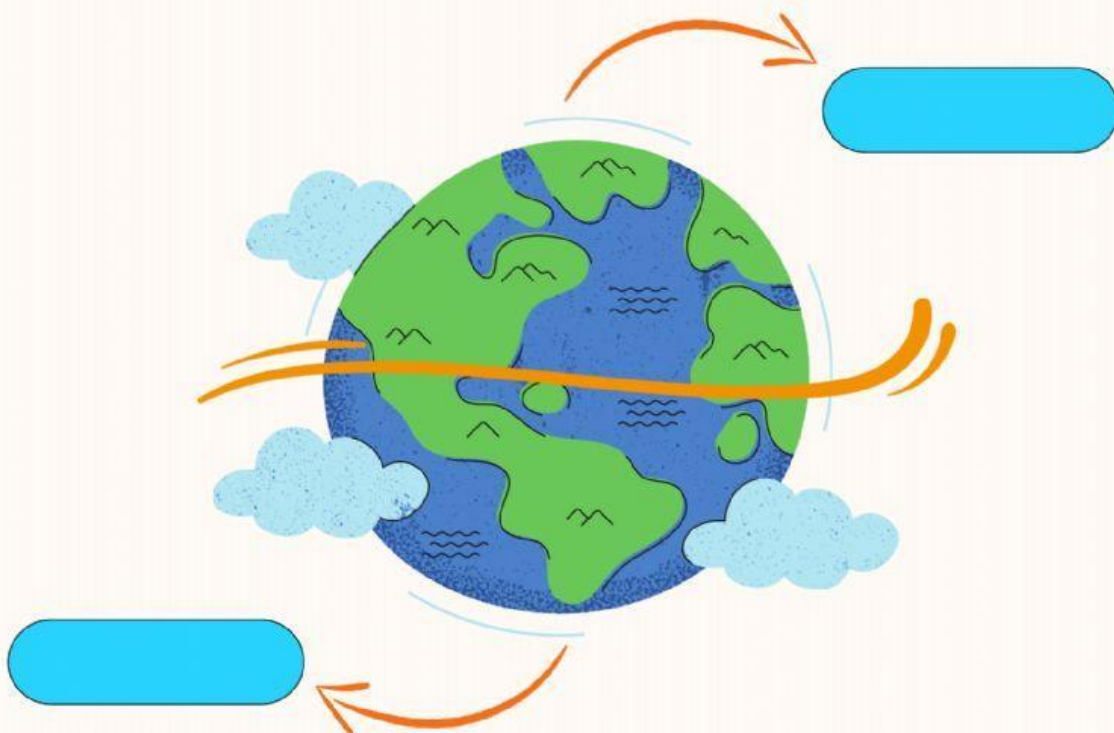

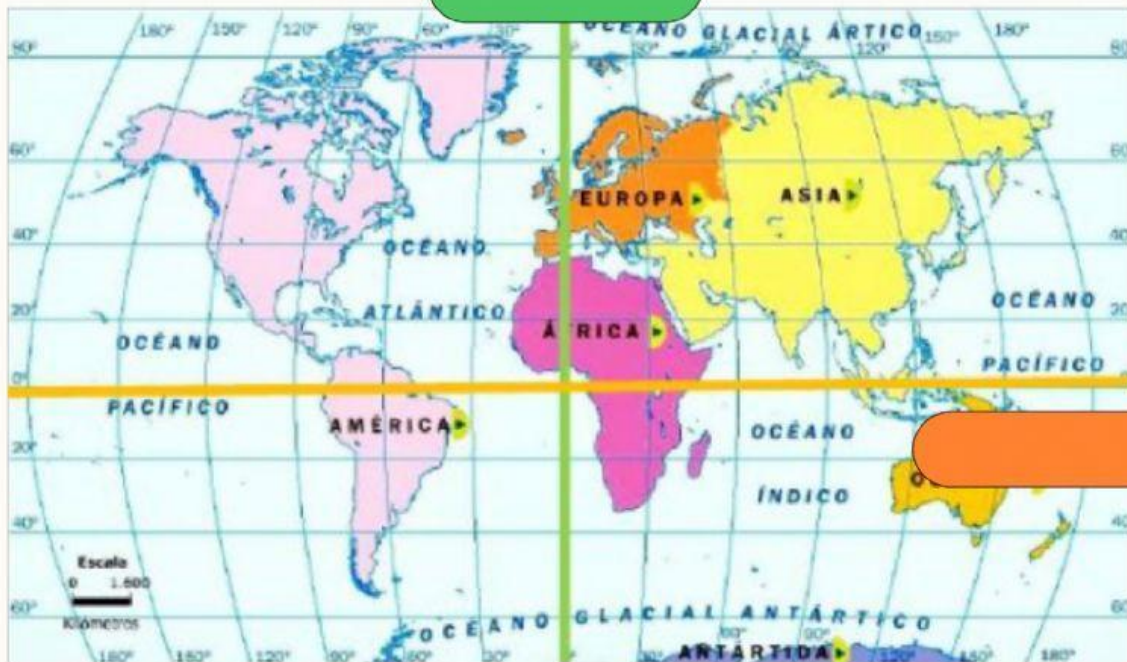

South America

By: Valentina Vives

LONGITUDE AND LATITUDE ACTIVITY

Parallels and Meridians

2. Now, let's choose the correct answer.
