

# My town

*Read the text and answer the questions:*

Hey, my name is Andrew, I Live in New York City, I am a gym coach, I work full time,

I'm 22 years old, in my free time I like to go to the cinema with my friends and watch

movies, New York is a big city, it's beautiful and there are many people from different nationalities, I live in "El dorado" neighborhood, There are three bakeries

and two pharmacies near here, There is a restaurant but there aren't any police stations, There is a big shopping mall and two hospitals, there isn't a pool in my neighborhood, but there is a disco club. I think new York is a great city and I love to live here.
