

# Day and night work

## Let's talk

Look at the pictures and talk to your friend about them.

Which people work at night? Which people work during the day?

## Let's write

Which of these people do their work during the day as well as during the night? Make a tick (✓) next to the correct pictures.

Let's talk

Talk in your group about all the people who work only at night.

Do teachers work only at night?

Do security guards work only at night?

Do you know someone who works only at night? What does he or she do?

Let's write

Write about the kind of work each person below does at night.
