IV. Read the passage, then decide if the statements that follow are True - False.

Is Australia the world's largest island and its smallest continent? Actually, it's both. In fact, Australia is the only country that is also a continent. Australia has a population of about 16.5 million. That makes this island nation one of the least densely populated countries. What ethnic groups make up the Australia population? The majority of Australians are of English, Irish, Greek, Dutch, and Polish. However, over the past 50 years, some four million people from more than 120 countries have made Australia their home. This includes a large number of Asian and African immigrants.

True or False

19. The population of Australia is over 16 million _____
20. German is one of the languages of Australia _____
21. Million people of more than 120 countries didn't emigrate to Australia over the past 50 years _____
