

YOU BELONG

WITH ME

You're on the phone with your girlfriend,
she _____
She's **going off about something** that you said
'Cause she _____ your humor like I do
I'm in the room, it's a typical Tuesday night
I'm listening to the kind of music she _____
And she'll never know your story like I do
But she _____ short skirts
I wear T-shirts
She's Cheer Captain, and I'm on the bleachers
Dreaming about the day when you wake up and find
That what you _____ has been here the whole
time
If you could see that I'm the one
Who _____ you
Been here all along
So, why can't you see?
You belong with me

Walk in the streets with you in your **worn-out jeans**
I **can't help thinking** this is how it **ought to be**
Laughing on a park bench thinking to myself
Hey, _____?
And _____ a smile
That can **light up** this whole town
I haven't seen it in a while
Since **she brought you down**
You say you're fine, I know you better than that
Hey, what you doing with a girl like that?

She _____ high heels
I wear sneakers
She's Cheer Captain, and I _____
Dreaming about the day when you wake up and find
That what you're looking for has been here the whole time
If you could see that I'm the one
Who understands you
Been here all along
So, _____?
You belong with me
_____ and waiting at your backdoor
All this time how could you not know, baby?
You belong with me
You belong with me
Oh, I _____ to my house
In the middle of the night
I'm the one who _____
When you know you're 'bout to cry
And _____
And you tell me 'bout your dreams
Think I know where you belong
Think I know it's with me
Can't you see that I'm the one
Who understands you?
Been here all along
So, why can't you see?
You belong with me
Standing by and waiting at your backdoor
All this time _____, baby?
You belong with me
You belong with me
You belong with me
Have you ever thought just maybe
You belong with me?
You belong with me
