CÂU 2

All houses (1) [ ] unique. Even if they look the same from the outside they are very (2) [ ] on the inside. I think houses are very very interesting. I like looking (3) [ ] the way they are built and the the style they are built in. In London there are many houses that are hundreds of (4) [ ] old. These are beautiful. You can still (5) [ ] much of the original wood and stone structure. Modern houses are also interesting. It's funny how they copy (6) [ ] of the features of older houses. I love looking at houses when I travel. (7) [ ] country has its own special designs, from Japan to Arabia to Greece. Nowadays poeple are building eco-friendly houses. They want houses that save (8) [ ] and help protect the planet.
