

How often ...

always

usually

often

sometimes

never

I watch TV after dinner.

I sleep at night.

I get up at seven o'clock.

I play football with friends.

I climb trees.

I pick up things from the floor to help a classmate.

I learn for English tests.

I walk to school.

I save money in a special place.

I throw trash on the floor.

I build things with wood.

I eat healthy food.

I clean my own room.

I help with the work at home.

I ride a bike in Yom Kippur.

I swim in the sea.
