

# Extra Training

## Prepositions Task 524

Drag the object to their correct place according to the text..

There are many things in the room. There are three lamps above the table. The blue lamp is in the centre, the green one is to the left and the yellow one is to the right. There is also a small lamp on the table. There is a brown bag near the table on the left.

There are three pictures in the room. A big light-green picture is above the table. There are two pictures above the bed. The orange picture of an impressionist artist is to the left and the picture with red flowers is to the right. There is also a white globe in the centre.
