Read the article about the modern pentathlon. Are sentences 1–7 'Right' (A) or 'Wrong' (B)? If there is not enough information to answer 'Right' or 'Wrong', choose 'Doesn't say' (C). Here is an example (0).

The modern pentathlon

The triathlon, as we know, has three sports – swimming, cycling and running. Do you know about the Olympic sport called the modern pentathlon? It doesn't have three sports. It has five of them. They are fencing, swimming, running, shooting and horse riding. The running and shooting are called 'the laser run': you run eight hundred metres and then you shoot. You do this four times, so you run 3,200 metres in total. You do all five sports in one day. It's very hard. The modern pentathlon started as an Olympic sport in 1912, but the pentathlon is not new. In fact, it is over 2,500 years old. It started in ancient Greece, but the five sports were different then. Today the sport is for both men and women.

0 The triathlon is different from the pentathlon.
