

LET'S BE SUPERHEROES

CHORUS

*Let's be superheroes so we can save the day
Wherever there is trouble, we're on our way
Let's be superheroes so we can save the world
With our super powers, we're super boys and super girls
We're superheroes*

..... like Superman, soaring through the clouds
Or like the Hulk with a roar that's super loud (roar!)
Can you like Wonder Woman with her lasso of truth?
Or like Iron Man in his red and yellow suit?

CHORUS

Let's like the Flash, at a million miles an hour
Or like Spiderman up a hundred storey tower
Can you like Catwoman, who doesn't make a peep (Meow!)
Or like Batman above the city streets

CHORUS

I find a super cape made from a bed sheet
Put a mask over my eyes, big boots on my feet
Some socks for gloves, and my Mum's big belt
I'm a superhero now! Hey!
