

Event Cluster

 Use Handbook page 71.

- Think about a community event you have been to.
- Fill in the cluster. Write the name of the event. Then write details that tell more about the event.

- Now, cover up the name of the event. Ask a partner to guess the event.

Things that I like to do

Indications:

- Write three activities you do on the days that are in the box.
- Compare your answers with a partner.
