Read the passage and answer the following questions.						

If you enjoy cycling for pleasure, doing it in London can be a shock. There are not enough lanes especially for bikes, and making your way through the traffic can be very risky. But if you have great passion, cycling in London can be exciting, and *it* is an inexpensive way of keeping fit if you live there. Some cyclists don't mind spending a lot of money on expensive bikes. However, if you just want a basic bike that is only for occasional
