It's Halloween Tonight

Couplet:

A long time ago on _____ night under the glow of the full moon's light
A group of children out to _____ find themselves locked out of the House of Sweets
The three keys that will open the door were stolen by creatures never seen here before
A witch, a vampire, and _____ pirates
Someone must be brave enough to go out and find them

Chorus 2x:

Run, run, run
Don't let them get you when the _____ is bright
It's Halloween tonight

Couplet:

When every living thing is hiding in the silent night you hear a cry (screams)
Her eyes are fire flames, but her heart is cold as ice
Hear my advice or you pay the price
_____ robe and pointy hat
Greenish skin and _____cat
Chanting spells in a high pitch
Holy cow, she's a _____!

Chorus:

Couplet:

Though you can barely see just for a moment you believe
There's something in the air in the midnight hour
He comes to trail you in disguise open your eyes he's got appetite
Pale as the moon and quick as a _____
Fangs so long they could poke through ten hats
He hides in the shadows like a big _____
Run for your life!
It's Count_____!

Chorus:

Couplet:

The skeletons, the skeletons their _____ can shake like gelatin
And if you hear a clickety-clack. You better run and don't turn back
