Reading 3: Read the article below and answer the questions that follow:

Learning a foreign language is beneficial to all. Learning to speak foreign languages may be the best thing you can do to improve your life and open new doors. First of all, you get access to knowledge to what you are interested in: science, music, computers etc. Today's media, such as the internet, television, and the press, give you unlimited access to knowledge about your favorite subjects. We live in the information age, don't we? There is only one problem. Most of this knowledge is in a foreign language. If you can communicate in other languages, you can: Contact people from all over the world. Talk about your ideas and opinions on internet discussion groups.

Send e-mail to interesting people. Learn about their life, culture and customs. Travel more easily. Communicate with people wherever you go. Ask directions, have a conversation, or ask for help. Language competence in a second language increases your job opportunities, and pushes your career forward. If you want a good job, get out of the armchair and start learning languages now! Learning languages is not only useful, but it also gives you a lot of satisfaction.
