- **Listen and choose the correct option**

Chorus

Over, under, up, and down.
What's the way you get around?

A bicycle's/ motorcycle's the way for me.
I love my bike.
Oh, can you see?

Chorus

A plane / motorcycle is for me,
It's faster than a bike/ train, you see.

Chorus

A bus / train is a good way for me,
It's fast, it's great.
Oh, can you see?

Chorus

A ship / plane is a good way for me,
It's faster, bigger than all three.

Chorus

A train / bus is a good way for me,
It's bigger than a bus / train, you see.

Chorus

A ship / taxi is a good way for me,
It's slower than a plane, you see.
But it's OK, I love the sea!
