

## LIVING THINGS – WORKSHEET 1.

(Los seres vivos – FICHA 1)

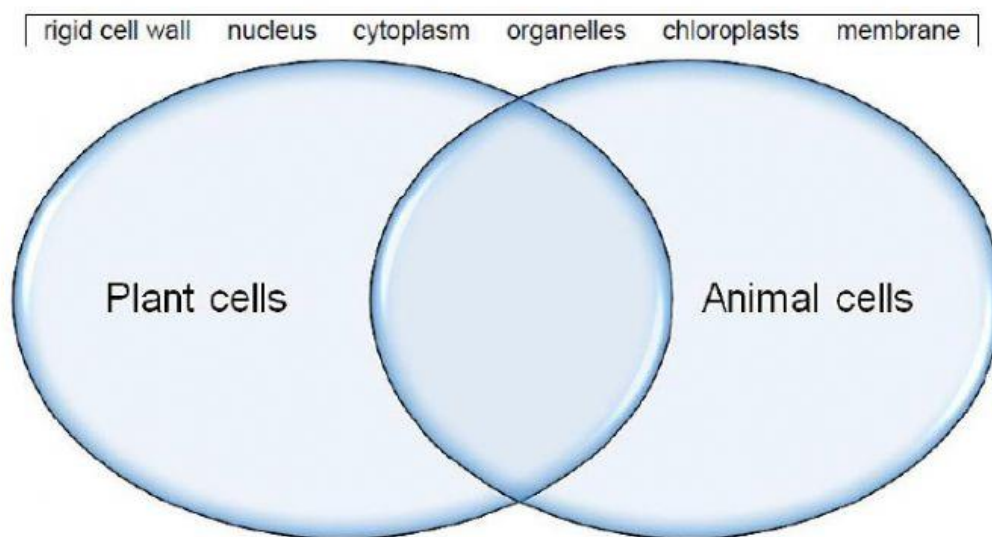

### 1. Complete the sentences.

(Completa las oraciones)

- a) Cells are made up of \_\_\_\_\_.  
(Las células están formadas por...)
- b) Tissue is made up of \_\_\_\_\_.  
(El tejido está formado por...)
- c) Organs are \_\_\_\_\_.  
(Los órganos son...)
- d) Systems \_\_\_\_\_.  
(Los sistemas....)

### 2. Complete the Venn diagram.

(Completa el diagrama de Venn).

### 3. Match the living things to their classification.

(Une los seres vivos con su clasificación)

duck

Protoctista

moss

Angiosperm

rose

Vertebrate animal

bacteria

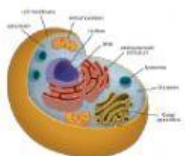

Fungi

mushroom

Gymnosperm

algae

Monera

## LIVING THINGS – WORKSHEET 1.

(Los seres vivos – FICHA 1)

### 4. Complete the table to describe invertebrate characteristics.

(Completa la tabla para describir las características de los invertebrados).

| Classification | Body                                       | Reproduction     | Respiration                                       |
|----------------|--------------------------------------------|------------------|---------------------------------------------------|
| Arthropods     | <i>Jointed legs</i><br><i>Exoskeleton</i>  |                  |                                                   |
| Molluscs       |                                            | <i>oviparous</i> |                                                   |
| Annelids       |                                            |                  | <i>lungs or gills</i>                             |
| Echinoderms    | <i>spines</i><br><i>can have tentacles</i> |                  |                                                   |
| Porifera       |                                            | <i>budding</i>   |                                                   |
| Cnidarians     |                                            |                  | <i>absorb oxygen</i><br><i>through their skin</i> |

lungs or gills

soft body

lungs or gills

absorb oxygen  
through pores

budding

lungs or gills

soft body  
can have tentacles

soft, muscular body  
can have a shell

oviparous

oviparous or  
budding

soft, segmented  
bodies

oviparous

### 5. Push the wrong word in each sentence. Write the correct word.

(Pulsa la palabra incorrecta en cada oración. Escribe la palabra correcta).
