

WALKING ON THE MOUNTAIN

My name is Lynda and this is what I usually do.

I love to walk on the mountain. During the week, I wake up early and go for a small walk on the mountain. I usually go with my father or my sister. We like to get some fresh air before we start our day. We live in the country far away from the city. We think that our country life is wonderful because we are away from the noise and pollution of the city. We often walk for about one-half hour and then return to our home. I always take my bus after our walk and at about 8:00 o'clock in the morning

and arrive at school at 8:30 am. My father takes his car and goes to town to work. He works at a veterinary clinic. He is a vet and loves to help animals. We have 3 cats and two dogs.

On the weekend we wake up early and go for a hike on the mountain. It is so nice to enjoy the fresh air and see the wild animals. We stay there for about three hours and bring our lunch with us as you can see my family loves nature.
