

SIMPLY THE BEST – TINA TURNER

I call you when I need you, my _____ on fire

You come to me, come to me wild and wild
When you come to me give me everything I need

Give me a lifetime of promises and a world of _____

Speak a language of love like you know what it means

And it can't be wrong, take my _____ and make it _____, baby

You're simply the best, better than all the rest

Better than anyone, anyone I've ever met
I'm stuck on your _____ and hang on every word you say

Tear us apart, _____, I would rather be dead

In your heart I see the _____ of every night and every day

In your _____ I get lost, I get washed away
Just as long as I'm here in your arms, I could be in no better place

You're simply the best, better than all the rest

Better than anyone, anyone I've ever met
I'm stuck on your heart and hang on every word you say

Tear us apart, _____, I would rather be dead

Each time you leave me I start losing control

You're walking away with my _____ and my soul

I can feel you even when I'm alone, oh _____, don't let go
