What a drag it is the ..... I'm in

Well, I go out ..... then I come home again

I ..... a cigarette

'Cause I can't get no sleep

There's nothing on the TV, nothing on the .....

That means that much to me

All my life ..... America

All my life there's ..... in America

Oh oh oh, oh, there's ..... in America

Oh oh oh, oh

Yesterday was .....

Happiness came and went

I got the ..... script

But I don't know what it meant

Yesterday was .....

Yes, I got the .....

Oh, when you get it straight

You stand up, you ..... can't lose

Give you.....confidence, all my faith in life

Don't stand me up

Don't let me .....

No, I need you .....

To hold me, ... you'll be here

Hold me, ... you'll be here

Hold all my life

Tell me how .....it feel?
