

"Lift Me Up"
(from "Black Panther: Wakanda Forever" soundtrack)

Lift me up
..... down
Keep me close
Safe and sound

Burning in a dream
Hold me when you go to sleep
Keep me in the warmth of your love
When you depart me safe
Safe and sound

.....
Hold me down
Keep me close
Safe and sound

Drowning in an endless sea
Take some time and with me
Keep me in the strength of your arms
Keep me
Safe and sound

Lift me up
Hold me down (Hold me down)
Keep me safe (Keep me close)
Safe and sound (Safe and sound)

Burning in a hopeless dream
Hold me you go to sleep
Keep me safe
Welight
We need love

Lift me up (Lift me up, in your arms)
Hold me down (I need love, I need love, I need love)
Keep me close (Hold me, hold me)
Safe and sound (Hold me, hold me, hold me, hold me)
..... (Hold me, hold me)
Hold me down (Hold me, hold me, hold me, hold me)
Keep me safe
We need light
We need
