

My superhero story

Hello, my name is John and this is my story. I am a small kid and I am 8 years old. I live in a small town in Canada, surrounded by the tall and snowy mountains. In my daily routine, I go to a school that is very far from my house. I have to walk 3 hours everyday. One day, I was walking and I saw a big and green monster, it was Hulk!! He was sleeping and he seemed very tired. When he woke up he was scared and very angry.

Hulk is very big, strong and tall, he is a very scary person but I was not scared of him. Now, he is my best friend and we go to school together everyday. When I go with Hulk, I arrive at school in 5 minutes, he can run very fast and he can also climb the mountains, it is very funny!! When we arrive at home, I help him studying English and Maths. He is not very intelligent but he is a lovely person. I love you Hulk.
