Donna and Bill had lunch together yesterday

Donna and Bill had lunch together yesterday. They are both in the same Spanish class, so after class was over, they went out to eat at a restaurant. Donna ordered a big plate of French fries and Bill ordered a hamburger. They shared a milkshake.

Bill helps Donna with her Spanish. He is a very good student, and he learns new thing very quickly. He likes helping Donna because she is a very nice person, and hopes to go out with her more often.

Donna needs to spend more time studying but she works in the evenings and sometimes she does not have enough time to study. She does not always understand the teacher because the teacher speaks entirely in Spanish and sometimes, he speaks too quickly.
