My school

Hi, I'm Martin. This is my school, where I can go again and again without complaining. I can do so many things at school such as learning subjects, making new friends and playing. Sometimes, I feel the school islike my home. It has a big campus, with trees and a garden. It also has a well-leveled field for cricket and other sports.

There is also a library in my school. We have one library period every other day. I like reading books in the library. The students can pick books that they like and read quietly. I have read many interesting books in my school's library. There are storybooks, science books and many more. My school is also very neat and clean. It is also very safe for children.
