Read about Amanda's diary entry for Saturday, 11 December 2021.

**Saturday, 11 Dec 2021**

It was a very tiring day today. The 2-hour horror movie started at 12 am midnight and it was played at the Mall Cineplex, it felt longer and I am very sleepy now. I usually go to bed at around eight o'clock in the evening so every morning I can wake up feeling fresh for school. Luckily, it was not a school night!

In the morning, I had a huge egg sandwich and a glass of freshly pressed orange juice. I also had an apple because I try to eat as much fruits and vegetables every day this year. For lunch today, I had chicken rice and a bowl of grapes. At night, I had spicy steamed fish and stir fry oyster sauce mixed vegetables. I drank a lot of water for dinner... the fish was spicy but yummy!

Today, my mum kept telling me to wash my hands.

"Wash you hands before you eat! she said, "and make sure you sing the 'Happy Birthday song' when you wash them!"

Also today, a reminder on my phone popped up and it said, 'Dentist appointment in Glamteeth dental clinic on Tuesday, 14 December 2021.' This would be my second and last dental checkup for the year! I am always nervous as both my parents work as dentist. Strange but true!
