- friends
- an email
- an app
- a website
- a trip

C

Part 4
—5 questions—

Read the text. Choose the right words and write them on the lines.

Technology and Free Time

Example We spend a lot of our free time using technology to play games or watch videos. Some people like to chat to their friends online.

- 1 People who spend a lot of time playing video games find it hard to sleep. Many students play games or watch movies after school. They don't exercise or play sports.
- 2 Doctors say that you shouldn't technology too much.
- 3 Children should spend less than three hours a day on phones, visiting websites or playing games. They should spend more time doing other things, like doing their homework, books, or listening to music.
- 4
