

My little cat

Bobby is my little cat. It's one year old. It's brown. It's very cute. It likes to play around the house. It loves to play "fetch" with me. It can play all day long.

It's very smart. Its favourite place

to sleep is under my desk, but sometimes it sleeps in the kitchen. It loves to eat hot dogs a lot. It's a very good and funny cat. I love it.
